## **Signature Edition Bicycle (Black) - Pokerdeck**

Enjoy Thin Crushed™ playing card decks in our iconic Bicycle®, Bee®, Aristocrat®, and Tally Ho® brands!

The United States Playing Card Company Signature Edition proudly utilizes our Thin Crushed™ treatment on our premium cardstock. Thin Crushed provides a softer, more flexible feel to our already legendary playing cards.

These cards feel broken-in right out of the pack and are preferred by magicians and cardists for their handling, ease of use, and ability to perform certain moves with ease.
