
Bicycle Vintage Valentine by Collectable - Pokerdeck

Well, flip your bob and put on your Mary Jane's, it's Valentine's Day! Cupid is flying around with his bow and arrow and he's aiming to shoot a little love at you, and you, and you too!

Mysterious chocolate candies in heart shaped boxes, chalky conversation hearts relaying secret messages for your eyes only, red velvet rose bouquets garnished with baby's breath, fancy, candle lit dinners are all traditional ways to woo your partner, and, of course, you must find the perfect sentimental card to relay your deepest thoughts of romance.

This year, send your valentine **PLAYING CARDS**. The perfect valentine card for the avid collector of playing cards!

Vintage Valentine is the 3rd installment in a fun 4 deck series of holidays with a vintage vibe.
