
Wooden Leaves Summer Box Set by Dutch Card House Company - Pokerdeck

This exclusive numbered Wooden Collector's box contains the two LEAVES Playing cards Summer editions from the DCHC. Only 150 boxes were made!

It features an unvarnished laser printed FSC wooden box with a blind magnet closure. Moreover, the custom-designed recycled paper seal is numbered, which makes this box a true collector's item!

The Leaves Playing cards Summer Editions feature an ornament-looking layout of the back design, reminiscent of Summer, complete with small flowering details.

The court cards maintain their traditional designs but with an updated color scheme to make them fit in better with the overall summer theme of the deck. Together, this is perfect for card games, magic routines, and cardistry!

The jokers are identical and like in the Autumn edition and Spring edition, one of them features a special 3 of hearts card reveal! The signature tree that was used in the previous editions has started to bloom together with busy bees in this Summer Edition!

The striking tuck boxes compliments the cards it holds inside. The leaves ornament runs from the front to the back of the box and can create a display with 3 boxes. Also, there will be NO plastic cello wrap in order to prevent the use of single-use plastics. So instead, DCHC will close the tuck of the Standard Edition with a custom-designed seal and a custom numbered seal for the Collector's Edition.
