
Rocco's TenKai Blue

Effect 1: Both hands are shown empty. From nowhere, a single card Magically appears at the fingertips and is tossed into the air and caught. One at a time more cards appear until 5 cards are displayed between the fingers. The cards then Vanish one at a time as they are seemingly placed onto a table or close up pad etc. Both hands are now shown empty.

Effect 2: Both hands are shown empty and 4 cards appear one at a time & displayed openly in one hand in fan position. Each card then magically disappears as placed onto a table. From nowhere, four Half Dollar coins are now slowly spread out on the table. Both hands are shown as empty and one at a time each of the 4 coins is picked up and visually changes to a playing card as it is placed into the opposite hand. All 4 coins have now turned into 4 playing cards. Each card is now vanished and both hands are shown completely empty.

- Self aligning
