
Escape Velocity (Red) - Pokerdeck

Reach for the stars with **Escape Velocity**, a deck inspired by the incredible history of space exploration. It tells the story of brave heroes who fearlessly defy gravity and explore the unknown. The deck honors these adventurers and celebrates their unbreakable spirit.

Are you ready to embark on a journey through the universe? Join the mission now!

Escape Velocity decks are available in two editions: the Blue version pays homage to the cold depths of space, while the Red draws inspiration from the fiery bursts of rocket engines.

- 100% custom deck featuring original symmetric courts with retro astronauts
- Printed by Cartamundi in Belgium on their signature Slimline stock and true linen B9 finish
- Edition of 750 decks in each color (red or blue)
- 56 poker-sized cards, including two Jokers featuring an astronaut-accordionist, one ad card, and one reveal card.
- Foil-stamped and embossed box, with a night sky printed inside.
- The sides of the blue and red boxes form an image of a rocket.
- Original pips and layouts for number cards
- Design and illustrations by Vitaly Sinkevich
