
Smoke & Mirrors V8, Bronze (Standard) Edition by Dan & Dave - Pokerdeck

Back in print for the first time in nearly 10 years. To celebrate, we're offering an extremely small batch of **Smoke & Mirrors V8**. The cards feature an updated back design based on the original edition released in 2008, complete with minimal court cards, custom jokers, and an intricate Ace of Spades.

Printed by the United States Playing Card Company on our proprietary thin stock developed for cardistry.

Now available in bronze and this completes our line-up of colors in V8 edition. Choose between standard edition, standard edition signed by D&D, or deluxe edition housed inside an oversized magnetic box.
