
Shawn Coss Tarot Deck

Over 4 years in the making, and countless hyenas (our fans) begging for a Tarot Deck, Shawn Coss has finally completed the series to create a new take on the 78 Tarot cards.

Featuring Shawn's unique style of humanoid creatures and hyenas, each card was hand drawn and revised multiple times until the right figure appeared. Get ready for your soon to be favorite Tarot Deck.

The deck will consist of the full 22 Major Arcana and 56 Minor Arcana, all with their own unique creepiness.

- Printed on 350gsm art paper
- Matte linen finish to compliment the traditional look and feel of the illustrations
- Spot UV varnish on back of cards
