## Prophets by Wounded Corner - Pokerdeck

If you like Theory11's Monarchs, then you'll love **Prophets Playing Cards**. This deck was made with magic in mind and filled with beautiful intricate details. The court cards are standard USPCC courts, so nothing looks funky to spectators when performing.

Prophets also comes with a duplicate King of Spades and an opposite-colored double backer if Red Hot Momma is your go-to. We've also kept the price low so it can be used as an everyday carry deck.
