## **Clip Revelation by Sorcier Magic -Trick**

A metal stand with a clip on top is shown to the audience.

After asking to take a card and sign it, the magician closes a piece of white paper inside the clip.

Meanwhile, the deck of cards is shuffled and the card spread out. In an instant, one releases from the clip

blaze that reveals a card stuck in the clip, it is the spectator's chosen and signed card!

The stand is made entirely of metal and works electronically with remote control.

It has a height of 22cm and the circular base measures 10cm in diameter.

The height of the base is only 1.5cm. Flash card not supplied is required.

Easy to use, resistors are provided to start the fire.
