
JSHIRT BLACK by Jeki Yoo

J-SHIRT is a visual color-changing T-shirt effect that I have been performing in my show for over 10 years! I believe this is my ultimate solution for a color-changing T-shirt effect, once you learn the deceptive and practical secret you will absolutely love to perform **J-SHIRT**!

It's always been important for me to create a unique and visual opener that packs small and plays big, I also have much love the art of quick change magic, so with my experience and passion I've created my very own unique method. With over a decade of development, I'm finally ready to share **J-SHIRT** with all of you!

What's included?

- 1 x shirt gimmick, the gimmick is one size, it fits all (from XS to XL size)
- 1 x black cloth
- 20 minute online instruction video by Jeki Yoo
- Available in 2 colors (black/gray)

Note: You need to provide your own shirt and jacket.

One of my favorite things about this effect is that once you've executed the change you end up completely clean. The angles are great, Perform this almost anywhere and it resets in just 1 minute!

It's great for both live performance and social media as I've entertained countless audiences around the world with **J-SHIRT** and now you can too!

Your clients will love this memorable and striking visual and I'm confident this will become one of your new favorite effects to perform for years to come... OH MY!

- Easy to do
- Great for live and virtual shows
- End clean
- Packs small, plays big
- Very visual and practical
- Great for opener/ ending
- Reset in 1 min

This trick was inspired by Kazu Katayama's Blend Silk Effect. Kazu's Blend Silk effect is so powerful and the method is fantastic. Thank Kazu san for allowing me to make this
