## **Lady Moon (V2) by Art of Play - Pokerdeck**

Lady Moon is the archetype of The Triple Goddess and is an expression of the divine feminine throughout the phases of her life. Discover her story in every part of these playing cards.

Beautifully illustrated by Kelly Thorn in Brooklyn, New York, and produced with awe-inspiring detail by Art of Play. From their testament to early art deco motifs to their inspired mythology of a sacred trinity, **Lady Moon Playing Cards** are a marvel to behold.

Sustainably-produced using FSC certified paper and vegetable-based inks on our trademark stock and finish. Suitable for all games requiring a standard deck.
