
Carat DS1XL Deck Sleeves (5 Pack)

Carat Case Creations presents the **Carat DS1XL Deck Sleeve**, an extra large version of the original Carat DS1, produced especially for the Kings Wild Project Book Case Decks and the Card Mafia Avenger Series, specifically Iron Man, Captain America and Thor.

Like the DS1 and DS1L, the DS1XL is made of 0.35mm clear, archival safe PET plastic, providing lightweight protection against knocks and bumps while allowing full viewing of your deck from all sides. The DS1XL has dimensions of 10.5 x 7.9 x 3.2cm and the Carat Case Creations logo is teal for easier identification, while trying as best as possible, not to interfere with the view of your deck.

.The Carat DS1L weighs only 14g or 0.53oz and comes unfolded with a protective film on the outside for easy, safe shipping. Once ready to use, simply peel off the protective film, fold the flaps together and assemble the DS1XL.

With the **Carat DS1XL**, you no longer have to worry about your deck or tuck getting all banged up while transporting your deck. It's also an affordable way to protect a large number of decks while still displaying or showing them off to your friends!
