
Gilded Four Continents (Copper) - Pokerdeck

A reproduction of B. Dondorf's No. 207 deck from the year 1870 depicting the "Four Corners" of the world; Europe, Asia, Africa and America. Unique art on every single card! Information cards are included to indicate the royalty featured on the court cards and the scenes depicted on the number cards. The back, joker, box and tuck seal were all inspired by original Dondorf designs giving the deck an authentic look.
