
Treasure (10 coin holder) by Pen & MS Magic

From the genius mind of Pen.

Treasure is a coin dropper allowing you to produce coins at your fingertips like magic.

The magician displays an empty hand and with a swing of the arm, a coin is produced.

You can produce 5 coins with the small version, and up to 10 coins with the large one.

A perfect tool for miser's dreams or any coin production routine.

Come and experience **Treasure** today.
