Ace is going all out for the TENTH ANNIVERSARY of the ORIGINAL Casino Cards from the modern era.

This features the rare CRUSHED IVORY (smooth) Card Stock, which needs to be handled to be believed.

The **VINTAGE BACK Ace Fulton** is one of the original designs for the now legendary Ace Fulton's, this time printed on the original MIDNIGHT FUEL Bordered Back with metallic silver and white highlighting the vintage back logo.

Each of these **VINTAGE FUEL BACK Ace Fulton's** are housed in a special letter pressed tuck box complete with the silver emblem which is embossed on the back stating "TEN YEARS OF ACE FULTON."

Printed on CRUSHED IVORY 37 stock by the USPCC, produced by the legendary duo, Dan & Dave. These are sealed with a LIMITED EDITION METALLIC SILVER ACE FULTON'S SEAL embossed and letter pressed in San Diego, CA.
