
He's Alive by Ickle Pickle

Effect: A bag is shown with a picture of the cross on one side, and the tomb on the reverse side. A Jesus figure, and handkerchief (grave clothes) are removed from the bag. The cross and the tomb is explained, and Jesus is wrapped in the silk and placed inside the tomb.

The bag is then ripped apart sending the handkerchief flying into the air EMPTY and fluttering down! Jesus isn't there! **He's Alive!**
