FLASH COIN by Mago Flash -Trick

I want to present you a new magic game!

With this game you will be able to do the miser's dream routine in a different way.

It is a trick that fits in a cup of tea or coffee and is used to make different ways to appear half dollars.

The trick has a load capacity of 6 coins and fits perfectly in a cup of tea or coffee. In this way, it allows you to perform impromptu magic routines, close-up magic and parlor magic.

The trick is small and easy to hide.

The set does not include the cup.
