
Bicycle 4 Index Red

Welcome to the last product of the Bicycle line, **The 4 Index** deck.

With its 4 index indexes (one on each corner) you will be able to spread the cards in hands and on table easily.

Original and practical, the 4 index deck is printed in Bicycle quality (Rider Back) with the Thin Crush finish which allows a better durability.

Each deck includes 2 special gaff cards and a 30 minutes video teaching 4 effects (+ variations) in details.

Indeed, although it is ideal for left-handed and right-handed people to enjoy the same and unique deck of cards together, it will also allow you to create a multitude of new tricks.

Here are some of the possibilities:

- A freely selected card is - in a blink of an eye - find by the magician.
- 2 queens will fuse together to let a queen with 4 index and no one on the other queen.
- A special cards which represents the 52 cards will change into the selected card.
- An many more things to learn...
