
Bicycle Foil AutoBike No. 1 (Blue) - Pokerdeck

An American original, the Bicycle® brand celebrates over 130 years of playing card history with the reproduction of an early card back design called **Autobike No. 1**.

The **Autobike No. 1** deck was printed from 1902 to 1906 and produced only in red and blue colors.

The tuck and back designs illustrate the intricate style of the early Bicycle® and Russell Morgan brands.
