
Mechanimals Deluxe Edition (Gilded) - Pokerdeck

MECHANIMALS is a beautiful work of art conceived and designed by the artist **Celsius Pictor**, produced by **Max Playing cards** and masterfully printed by **Legends Playing Cards**.

Deeply rooted in the **culture and tradition of playing cards** and in its own language, every aspect of this deck is thought out and illustrated in great detail to create a unique historical universe. A marriage of the Renaissance with the Industrial Revolution reflected in the tuck case and in a handful of imaginative and surprising characters, with a slight steampunk style.

MECHANIMALS DELUXE Edition is the gem of the collection with the very best and exclusive specifications:

- Fully custom and original artwork made using a unique collage technique
- **Embossed** tuck box
