
Acrobatic Cards and Two Cards Monte - Combo Pack by Uday

WOW! An amazing deal from Uday! You receive TWO great carry-around effects for the price of one!

First, **Acrobatic Cards**, you visually show five playing cards, slowly and visually you place two of the cards face up into the pack, then in the blink of an eye they turn back to their original position. This can be repeated instantly...

Also included is the classic **Two Card Monte**, two cards are shown you clearly see the backs and faces of both cards. Your audience will never be able to guess which card you have behind your back because it is 100% under your control the entire time! There are no extra cards or switching.

Both effects are easy to learn and perform.

Enjoy these two great carry around card effects and astonish your friends everywhere you go.
