
Hanson Chien Presents **20HDD (20 Half Dollar Dropper)** by Ochiu Studio (Black Holder Series)

20HDD

Produce 20 coins from an empty hand.

Welcome to another masterpiece from Ochiu Studio's Black Holder Series.

20HDD can hold up to 20 half dollar coins or 40 palming coins in one load, the dropper can be securely attached to a belt.

20HDD's axial head design allows the device to lay flat against your body at all times, so the gimmick can be concealed perfectly.

20HDD's height adjustable clip makes it always stay within your arm's reach.

20HDD allows you to produce odd shaped objects such as chocolate, necklace, etc.

20HDD is the perfect finale for Miser's Dream and any sort of coin routine!

Make it rain with your brand new **20 Half Dollar Dropper!**
