
NAME CUP by JUAN PABLO & JOTA

A super visual effect, direct and powerful!

With **Name Cup** you can write with a permanent marker any message on a cup of coffee or soda and transform it into another message instantly! And not once, even two and three times in a row!

Plus:

- You can transform names, cards, emojis, messages, symbols or whatever you can write.
- Ideal as a visual effect for social media.
- It can be carried in the hand in close up or parlor shows.
- It is easy to do.
- You can even perform it with completely freely chosen cards (not forced).
- In the online tutorial several routines are explained, adding comedy and mentalism tips.
- You can adapt the cup with the logo of the company that you like the most (3 stickers already included).
- You can drink with straw during the routine.

Includes a specially designed cup (with an ultra resistant plastic gimmick) and 3 stickers.
