
Inferno Emerald Blaze Edition - Pokerdeck

We are opening the entrance to the underworld, the deck reveals itself when you pull the outer sleeve, showing the entrance to the **Inferno Playing Cards**.

- Summoned in 2 hellish editions - **Emerald Blaze & Violet Vengeance**
- Removable outer sleeve with gold/silver hot foil stamp artwork with laser cutting technology.
- Green/Purple hot foil stamp on the pure black premium 300gsm matte finish tuck case.
- Interact-able laser cut outs with corresponding illustrations when handling the tuck case.
- Limited to 2000 decks each with custom foiled number seal.
- Cards printed by Taiwan Playing Card Company with their luxury paper stock.

The tuck case of the **Inferno Playing Cards** features a two-piece tuck case. The outer sleeve acts as a window for you to stare into the abyss of the Inferno. With **gold/silver foil stamping** and **laser cutting**. Each cutout allows you to see the actual tuck case with intricate details. The actual tuck case features green/purple foils throughout, as if the flames of the underworld is burning for eternity. At the back of the tuck case you can see the center with a creature that is about to devour your soul, daring you to enter the inferno.
