## **X Box 2.0 by Kingsley Xu**

If you are chasing the LIFE STYLE magic, we think you have to try **X-box 2.0**

You take a box of milk from the goods shelf. But actually you want to drink juice now, then you give the box a little shake, the milk box has changed to a juice box!

It's visual, simple, direct and easy! No more words, no more movements, just magic!

- You can do the routines as you see in the video
- It's durable and easy to use
- Put it into your social media world, you would be the killer!
- Perfect for your Parlor show or TV show
- Include the special straw and accessories

*"I love the visual magic with the organic object. And this looks perfect!"*

- **Jeki Yoo**

*"X-Box is the real LIFE STYLE magic, it's really good!"*

- **Bound Lee**
