
GHOST INK by Taiwan Ben

"Ghost Ink is the type of super visual effect you will fool yourself in the mirror! The precision gimmick itself is unbelievable that you cannot resist doing it again and again!"

- **Alan Wong**

"Ghost Ink presents the best visual effects on your ESP card mental magic!"

- **Rex** (Creator of 'Watch This')

Ink manipulation and morphing effects have always been well received by magicians and laymen due to their VISUAL & IMPOSSIBLE appeal. However, many of these gimmicks require either precise execution by the performer, perfect lighting conditions, or are just plain impractical in real life.

GHOST INK by Taiwan Ben solves all that! FULLY SELF CONTAINED, **GHOST INK** allows you to focus only on the presentation; to not worry about the execution and operation of the gimmick. Despite this, the effect remains HYPER VISUAL with no compromise on what the spectators see! Each and every gimmick is PRECISION MADE, and is sure to last you for hundreds of performances!

INSTANT RESET - Hassle free, great for table hopping & walk-around!

EASY & SIMPLE OPERATION - No thread, no magnet!

SAFE TO USE - No chemical reusables!

From prediction effects to hypnosis effects, or just plain and direct visual ink manipulation, **GHOST INK** is limited only by your imagination!

Note: Sharpie pen and double back playing card are not included.
