
ECC (HALF DOLLAR SIZE) by N2G

Getting endless money out of thin air is people's imagination of magic ability since ancient times.

Based on the classic magic method, we are proud to introduce ECC to you.

Four ancient coins miraculously changed positions on the desktop, and finally magically turned into sixteen ancient coins.

High quality as always, all shells are fully covered. Make your performance impeccable.

The instructional video will teach you how to combine the effects of exploding coins with matrix and coin crosses to build your own routines.

Buy ECC and create a fantastic ending for your coin magic.
