## TICKING TAC by Gustavo Raley

Gustavo Raley presents a brand new effect with an innovative transformation system.

No black art, no threads, no camera tricks.

Hyper fast and visual! You can perform this live or in social networks, this system is designed not only to fool spectators but also cameras. It has the same impact even performed in slow motion or frame by frame.

Easy to do and it comes with two special gimmicks ready to use.

*"Gustavo's trick is made for YOU!"*

- **Alexandra Duviviere**

*"A great idea, FAST EYES POPPING MAGIC"*

- **George Iglesias** from Twister Magic

*"It's visual high impact magic that happens in the blink an eye! I love it"*

- **James Samuel** - U.K.
