
Red Fox Enchanted Puzzle - Pokerdeck - Markiertes Kartenspiel

Red Fox Playing Cards Enchantment Deck.

The newest Red Fox Playing Cards Puzzle Deck is printed by USPCC on our favorite air cushioned stock. This is a seemingly innocent deck of playing cards that can be used for collecting, magic or card games. At first glance the symmetric back design transforms into a one-way design when viewed with our unique to Red Fox Playing cards decoder glasses that come with every deck. Once the glasses are on, you will be transported into another world where you can enjoy an experience of solving a series of four puzzles using many cards in the deck that lead to an ultimate crescendo. This one-time experience will guide you to finding a secret treasure and is designed to last 60-90 minutes. It is uniquely designed as a puzzle deck in addition to a completely usable unmarked deck. Full of even more secrets than ever before, this deck has features and subtleties that ties it to the Red Fox brand yet is unique in its own ways and brings color and fun to your next card game night, collectors cabinet, and yes, even puzzle night! Have a puzzle night with friends to solve the clues using almost the entire deck and still end up with a fully usable deck of cards.

Give this hand drawn from scratch, with new pips, new court cards, and everything in-between, deck of cards a try.
