## **Magic With The Rubik's Cube by Nicola Lazzarini - Buch**

After the success of "Impossible Techniques, tips and tricks" Zazza continues the saga on Magic with the famous Rubik's puzzle!

And here comes **Magic with the Rubik's Cube** with new resolution techniques, innovative ideas to expand your magical repertoire through the use of the Rubik's Cube, but not only!! Stage effects, card magic, close ups and even effects with the spectator's smartphone! If you loved "Impossible" you must have this second chapter!

With the translation by Paul Nardini (FISM 2003 prize)

Foreword by Luca Ramacciotti

Introduction by Alain Iannone

Comment by Andrea Paris
