## Skymember Presents Monarch (Barber Coins Edition) by Avi Yap

**Monarch**, a visual Coin Matrix/Chink-a-chink routine straight out of **Avi Yap's** repertoire. With the successful release of the **Morgan & Walking Liberty** coin set, this time we bring you a new member in the Monarch Series.

Monarch Barber, a **WORLD-CLASS** replica half dollar coin set that you will fall in love and use!

Everything you loved about Monarch Morgan & Walking Liberty is present Barber.

In the package you will receive *5 world class replica half dollar coins and a gimmick* that replicates the same aesthetic as Avi's personal barber coin. Made under strictest requirements by **The Alchemist Metal Co.** No stones were left unturned.

Along with this beautiful coin set, you will receive a **Masterclass** from Avi where he will teach you everything about his signature coin matrix. From handlings to timing, psychology, and a lot more. Monarch is not just an effect or a trick, but an accumulation of experiences that Avi has worked and *gathered over 10 years* that we promise you will love.

If you are searching for the ***best and most affordable coin set*** for your acts, Monarch Barber wouldn't disappoint you.

*"Avi is by far my favorite magician of this era. Just when I thought I have seen his best stuff... He shows me this. The thinking and execution is off the charts."*

**- Chris Kenner**

*"That's beautiful!"*

**- Wayne Houchin**

*"Avi's coin matrix is the stuff legends are made of. Put down the coin TRICKS and get ready to start doing coin MAGIC"*

**- Luke Dancy**

*"As some may know about my love of Matrix. Avi's approach is just BEAUTIFUL. I love how pure and artistic this looks. Rad."*
