
THE ROCKET Card Fountain LEFT HANDED (Wireless Remote Version) by Bond Lee

Rocket - The Ultimate Handheld Card Fountain

MS Magic always focus on practical and creative magic tools. Today we have a new magic device to share with you all.

Our concept is very simple, a strong and compact card fountain device, which you can palm with your hand or place anywhere you like. The end product is way better than we think, here is this great card fountain first debut - **Rocket!**

Control

Since we want to apply Rocket to most of our performance situation, we have made it can be controlled by 2 method.

1. Direct control

A button on the side of the device, you can press with your thumb to activate. Due to this controlling method, it has right hand version and left hand version. If you are planning to use it with you right hand then get the right hand version, vice versa.

2. Remote control

Every Rocket can be controlled by our remote control, you can use it offhand like placing it in your table or hidden somewhere in the stage. The max control distance is 30 meters (without influence).

Mount

Rocket provide different way to mount it, we will teach all of these way in the tutorial, so you can use Rocket in all situation.

1. Bare hand
2. Card box
3. Card fan
4. Glove
5. Top hat
6. Table

The new compact design make the Rocket probably the most versatile card shooting device.

You can use Rocket for many situation:

1. Card manipulation magic
2. Sword Card stab
3. Opening effect for shows
4. Substitution of pyro effect
5. Theatre special effects

Power

To ensure Rocket has a decent height, we chose a high power motor and 12V battery.

Card height of Rocket can reach 3 meters.

This height is perfect for most of the situation, parlor, stage and sometimes even close up too.

Creative team

Rocket is a joint project by FISM Asia Champion Xin Yafei and MS Magic.

Xin Yafei is one of the best stage magician in Asia, his fan manipulation act was awarded multiple times. Now he is working as director, consultant and performer for his magic company.

Warranty

We provide 1 year free of charge warranty for all of our Rocket (shipping not included).

The whole set consist of the following:
