
Sky Vanish BLUE (Gimmick and online instruction) by Sultan Orazaly

A perfectly visual, jaw-dropping vanish that happens in thin air! If you could truly perform real magic, it would look like Sky Magic!

The perfect visual card vanish!

There are numerous classic card effects involving a card vanish. There's only one thing missing - a perfect visual vanish.

Sky Vanish is a vanish that looks like real magic.

- Angles 180
- Perfect for live, zoom or social media.

You need this if you want people to believe that you are a real wizard!
