## **Interchange by Gary James**

Finally a key-ring you will carry with you everyday!

An object to impossible location, you can use cards, coins, billets, predictions etc.

Make things vanish or appear in a split second.

Each keyring is made with care and to the highest standard. You will love the mechanism of Interchange and you won't stop smiling every time you use it.

Interchange comes lovely packaged with online instructions packed full of performance tips and ideas.

Fully customizable!

**Interchange** to any....

- Card design
- Coin
- Bank note
- Prediction
- Billet
