
The Ultimate Matchbook set Match-Out and Magicians Matches by Chazpro

Magician's Matches and **Match-out!** Both really fun and comical! And these are both included!!

Magician's Matches and **Match-out** by Chuck Leach- re-released after over 20 yrs!!!

Magician's Matches is a pocket trick that is fast, visually magical and fun to perform! The handling is very smooth and natural looking and isn't hard to learn. Though the instructions might seem lengthy, the effect lasts less than a minute. Once perfected, you will enjoy carrying this trick with you!

Match-out is a humorous variation of the popular Insurance Policy trick. The standard insurance effect is this: A person selects a card and the magician fails to discover its identity. Fortunately, he is covered by an insurance policy or by his attorney. Upon examination, the street the location of the business matches the actual card they selected!

Magicians Matches comes with one gimmicked matchbook and one non-gimmicked for examination.

Match-out comes with one Insurance pack of matches and one attorneys pack of matches.
