
REFILL MONARCH/ORANGE for Butterfly Blizzard by Jeff McBride & Alan Wong

This is the 2022 version, fifth generation realistic paper butterflies created by Alan Wong for Jeff McBride's Butterfly Blizzard performance, now available in all orange colors in each unit.

The Monarch All Orange Butterfly Blizzard has improved brighter colors and each butterfly has 3 colors in black, white and orange just like the real monarch butterfly. Each box contains 12 units of all orange butterflies. Each unit has approximately 224 butterflies total 2688 butterflies in each pack.

Refill packs sold only without performing instructions.

"Alan's butterflies are the best on the market! The Butterfly Blizzard is a highlight of my full evening show... It will become a great addition to your show too!"

-Jeff McBride, Creator of McBride's Magic and Mystery School

Finally an all orange butterfly load - the heavens have spoken!"

- Jason Bryne, Champion Las Vegas Illusionist
