## Bottoms Up by Perna - Buch

Propless mentalism is at its high peak right now and Perna came to seal the deal with this one.

In **Bottoms Up** you'll learn how to perfectly guess a thought-of drink the spectator was about to order.

Magic and Mentalism nowadays is primarily performed at bars and restaurants, making a drink divination the most organic thing to perform.

Whether you perform it at a gig or casually when out with friends, **Bottoms Up** is guaranteed to make jaws hit the floor.

Within it you will receive:

- The complete system
- Fully scripted routine by Perna
- Fully scripted "flirty" version by Bobbo Jäderfeldt
- 3 Multi-person variants by Ross Bartels

As well as additional chapters ranging from troubleshooting to additional ideas.

Difficulty level: 3/5

Booklet 56 pages.
