
ALTAIR by Handy Altan & Agus Tjiu

Altair is a set of coins that creates visual effects from vanishing, transposition, penetration and the limit is your imagination.

6 featured routines included:

- Altair Matrix
- Twin Coins Teleportation
- Coin Through Card
- Simple Teleportation
- Back and Forth
- Instant Teleportation

Easy to do, live performance and many possibility for those who love to create fast trick video for social media content.
