
Unanchored (Standard Edition) by Ryan Schlutz - Pokerdeck

False Anchors Presents: **Unanchored Playing Cards**. This deck was designed as the perfect accompaniment to Ryan's book, ***Unanchored***, but stands on its own as well. The back design is composed of little shards from the shattered anchor seen on the front of the box. The deep blue colorway is sure to class up your next gig or game night.

- A fully-custom deck of cards, with a shattered pip on each face
- Normal Joker
- Joker/3S double facer (routine in the book)
- Palm reading art card with a Two of Clubs reveal on the back (routine in the book)
- Duplicate Seven of Hearts with a factory printed pencil-dot you can use for all the pencil-dot routines in the book
