
Bicycle Stargazer Observatory - Pokerdeck

Bicycle Stargazer Observatory playing cards are the latest addition to the space-themed Bicycle Stargazer collection. The Bicycle Stargazer Observatory playing cards design was inspired by constellations and sacred geometry. The tuck box and card back feature the hues and colors from the depths of the galaxy. Like the rest of the Stargazer collection, this deck includes premium foil packaging on the tuck, showcasing beautiful silver foil accents. The card faces feature intricate custom pips and contrasting suits to aid playability for your favorite card games. The Stargazer series has been a favorite playing card among Cardists due to the mesmerizing designs that enhance any flourish, spring, or maneuver. The series is a favorite among collectors for the beautiful art and mysterious astronomical theme. The Bicycle Stargazer Observatory Playing Cards are printed on premium Bicycle® brand card stock with Air-Cushion® Finish, these cards shuffle and handle perfectly with the quality and performance you expect from the Bicycle brand.

The tuck case is printed with gorgeous silver foil details for an ultra-premium look.

All Bicycle playing cards are made in the USA with Bicycle's classic Air Cushion finish. This gives playing cards a linen-like feel and allows cards to glide smoothly off one another during shuffling, dealing, and flourishing.

These Bicycle Playing Cards are not only a beautiful statement piece on your coffee table, but are also perfect for playing your favorite card games - from Rummy to Spoons, Spades to Euchre, Hearts to Blackjack, and hundreds of others.
