
Cube FIX by Ale Magix

After months of study and a lot of work, born **CubeFIX** By Ale Magix: "Magic with Rubik's Cube" Designed to undertake a real "magical journey" with the Rubik's Cube starting from scratch. The thorough explanation of the 6 effects + a bonus unpublished contained within **CubeFIX**, will allow you to assimilate the best every concept that concerns the technique, misdirection and psychology necessary for the realization of professional magic. The effects contained within **CubeFIX** have been designed to adapt to any situation a magician might encounter: single spectator magic, stage magic, visual magic, blindfolded magic, and completely impromptu magic, allowing the spectator to shuffle the cube freely.

- The product can be used by both beginners and professional magicians.
- The Rubik's cube provided is completely inspectable by the spectator.

Once you have tried it, you will not be able to do without it, becoming an essential routine for your show.

By purchasing **CubeFIX** you will receive:

- A Rubik's cube of the highest quality 5.5 cm adjustable
- A personalized prediction card
- PDF with various printable predictions, fundamentals of the cube and various detailed guides
- Video explanation of about 1 hour with detailed instructions
