
COGNI (impression pad) - Ricardo Montoya

Stop worrying about losing that special pen or searching online for that special paper and you can reset it in less than 5 seconds - all you need to blow their minds is **COGNI**. It's like carrying SUPER POWERS in your pocket.

COGNI is a very versatile and organic tool that gives an impression that is very visible to you and invisible to your audience... Using almost any pen - Sharpie, biro, pencil, crayon, even a feather. You can even borrow a pen. Yes, you read that right, you can borrow the pen!

What about refilling the notepad? You can refill **COGNI** or transfer the gimmick to a different notepad. You are going to love the practicality.

What you get:

- 2 COGNI notepads.
- 70 minutes of video instructions (Spanish with English subtitles)
- 5 routines honed over 6 years!
- Ideas for mind reading, influence, spectator as mind reader
- Tips to steal the information.
- Among other secrets.

Does not include:

- Batteries, because it does not need them!
- Special pen, because it does not need them!
- NFC, because it does not need them!

Are you ready to have this super power in your pocket?
