
Hypebeast by Riffle Shuffle - Pokerdeck

Fashion, trends, streetwear culture. The street is where we roll; the culture will always live on no matter where you are. We are hyped to introduce you to a deck that combines all the above elements to bring you the ultimate cultural bomb - **The HYPEBEAST Playing Cards.**

The **HYPEBEAST Playing Cards** celebrates this new trend of streetwear culture. Without limitations and boundaries, you can be whoever you want. When you browse through the entire deck, you may see some familiar logos, brands, even phrases that you hear from time to time shine with metallic ink. With the colorful patterns and outrageous designs, the designer Dario Genuardi reminds you to drive the culture forward.

The **HYPEBEAST Playing Cards** is printed by the United States Playing Card Company. AIR CUSHION finish with their legendary Bee crushed stock. Limited to 2500 decks.
