
N7 by N2G

Imagine a couple carefully examining two ancient Chinese coins, one red and one black. Then they begin to attract each other like magnets and finally merge into one in the hands of the couple.

This is a miracle full of meaning and emotion. The beginning and end can be completely checked and happen in the hands of the audience.

N7 contains exquisite props and matching ordinary coins, and a complete polished performance process teaching. So that you can easily master this incredible magic
