
ALIVE by Hide & Sergey Koller

Animation - one of the strongest thing in magic!

What **Alive** is?

1. A spectator thinks of a random word
2. You show your prediction (a few lines in a random order) to the spectator and tell him this is his word written in the Japanese
3. The spectator sees how inks move on a pad and turn into his word
4. You give the paper as an unforgettable souvenir

A couple features:

- ALIVE could be done in ANY language! You get blank gimmick and you can custom is however you want
- You can easily refill sheets of notebook when it's over
- Fits your pocket and ready to perform anytime
- Easy to reset: 3 seconds and you ready to perform again!
