
Moses Card by Magic's Express

Have you ever thought about how to elevate the effect of your favorite card tricks?

Have you wondered how to make a simple card trick more visual than ever?

Are you a person who wanna maximize the effects of tricks you perform? If so, you just find the answer.

Today, Magic's Express presents you our latest release, **Moses Card**.

This gimmick does not only work on its own, but it elevates the effect of almost every single card tricks you perform. Card Transfer, Oil and Water, Sandwich, you name it.

Moses Card is designed in a way that you can set it up instantly, which suits the needs from professionals to amateurs.

- No thread
- No flap
- No magnet

The effect is particularly strong because the whole effect is reversible. Not only you can change the cards from red to blue, but also back from blue to red in a second.

This color changing effect is a game changer in card tricks, as it makes everything so visual. From now on, every single card tricks you perform will be in another level.

This product including 3 gimmick cards and online instruction.
