Printed by USPCC on Bicycle stock, these cards feel like they are from another time! With our slightly custom courts, this deck is perfect for cardistry, magic, and playing any card games with your friends!

We got to make this deck everything we wanted Peelers V1 to be while at the same time making it different enough to keep the rarity and integrity of the OG Peelers V1. We wanted to give all of our new audience members a chance to get their hands on a deck of Peelers so that everyone feels a part of the family! So we printed 7K of them! The Peelers line is a fan favorite and our community is one of the best in cards! So if you want yours make sure to get them as soon as you can! Don't let these peels SLIP away!
