
GAMBLERS RING (SIZE 10) by Bacon Magic - Markiertes Kartenspiel

Gambler's Ring designed by Milo, product by Bacon Magic. It's a powerful ring that can be used for marking and peeking card.

Every cardist should be confident in his or her card skills, and **Gambler's Ring** gives you confidence and a sense of calm in a tough performance environment.

The **Gambler's Ring** is made of high quality titanium steel and has two functions: peeking card and making mark on it. The surface layer has been polished. You can easily know what the selected card is when you deal or hold card.

The special gimmick on the ring can help you stealthily and quickly create tactile marks anywhere on the card. Even if the audience shuffles the deck, you can easily cut or deal the card he/she chooses. In addition, you can use the ring to quickly make marks on envelopes, paper money, Kraft bag and so on.

With the **Gambler's Ring**, you can make every deck become marked deck, and make every card become key card. Skip the tricks of card control that are hard to understand, the **Gambler's Ring** will make you a professional card expert!

The **Gambler's Ring** is in US size and is worn on the index or middle finger. Please measure it before purchase.
