
P&L Enchanted Tea Pot (complete) by P&L

This is the classic effect in which four different colors of liquid are poured from a small teapot into four separate glasses. When the cover of the pot is lifted, four completely dry silks leap out and correspond with the colors that have been poured. The liquid in the glasses may be poured back into the pot, a magic word is said and now clear liquid is poured from the pot!

Included the special teapot, four Silk King Studios- Rice Silks, four glasses and food coloring - a complete package ready to perform!
