## **TRICK TAC by Ezequiel Ferra**

The most powerful magic happens when the elements are common to the audience!

## Imagine this:

Take a box of TicTac, and give away some pills to the audience and then transform all of them ULTRA visually into the card previously chosen by the audience, even the signed one.

But this is just the beginning! With **TRICK TAC** you can also transform cards, tickets, predictions, make changes of elements, the limit is your mind!

- An extremely visual transformation.
- Easy to do
- Practically instantaneous reset
- You have two effects in one! You can transform and make invisible changes.
- You can do it for live or online audiences!
- You receive the necessary elements and a 30 minute tutorial explaining 3 routines and how to create your own gimmicks! and how to create your own alternative gimmicks.
- Ideal for street magic
- Takes up no space, you can carry it ready in your pocket for when you want to use it!
